

You too, can enjoy all the benefits of the IRIS Ophthalmology Clinic.

Our Travel Packages!

The IRIS Ophthalmology Clinic is delighted to inform you about our **travel packages** for patients traveling from outlying areas. The Clinic offers a package that includes travel by plane or train, hotel accommodation (Sheraton), and ground transfers.

Airplane package

The airplane package is available at **\$499 per person (taxes included)**. If you wish to travel accompanied, the Clinic offers a package at **\$799 for two persons (taxes included)**.

Train package

The train package is available at **\$399 per person (taxes included)**. If you wish to travel accompanied, the Clinic offers a package at **\$599 for two persons (taxes included)**.

It is also possible to add extra nights, per package, at a rate of \$147 per night (taxes included). You can take advantage of the trip in order to discover Montréal!

Please contact our coordinators if you wish to benefit from the travel package. They will then help you plan the various surgery-related appointments to suit your schedule and availability* as well as reserve your plane or train ticket, hotel room, and transportation. You will need to **supply a credit card number** to secure your travel package and be billed for the total cost of the package.

All the necessary arrangements for your travel are made in advance! You are then free to concentrate completely on your surgery.

Please note that **a minimum of three weeks is required** before your desired surgery date, so that we can make all the necessary arrangements.

* Depends on airline or VIA RAIL availability.

Planning your stay: Allow a minimum of 3 days!

- Day 1: arrival and pre-operative assessment,
- Day 2: surgery,
- Day 3: post-operative follow-up and departure.

At the IRIS Clinic, we have 3 ophthalmologists, each of whom is responsible for the surgeries on one of four weekdays (from Tuesday to Friday). It is inevitable that, the ophthalmologist seen for the assessment (day 1) will be different from the one who performs the surgery (day 2). However, a meeting is arranged prior to every surgery, in order to allow you to meet the surgeon and ask questions.

The IRIS travel packages will be of interest to many people you know. Spread the good news!

Enjoy a **\$100 reduction** on the cost of your travel package, for **Monday and Tuesday** departures.
